An email from Dubai

1 7.9 Look at the email. Read and listen.

Hi Dom,

I'm on holiday in Dubai this month. Our hotel is fantastic – really new and comfortable, and really near the Burj Al Arab. I'm here with my best friend, Helen. She's really nice and funny.

The food is international and delicious. I like all the restaurants at the hotel, but the Indian restaurant is my favourite. It's wonderful!

Dubai is an interesting place – very modern. It's really hot – too hot to walk – we always travel by car. All the buildings are so big and tall. The Burj Khalifa has 163 floors! The view is amazing – you can see all the way to the sand of the desert. The shops are great, but very expensive.

There are no green parks, but there are lovely golden beaches, and we love swimming here.

This is a super holiday. It's great in Dubai!

See you soon.

Love,

Louise

Cape Town, South Africa

'Best place to visit in the world!' *The New York Times*

Why? Wonderful views, fabulous beaches, friendly people and a cosmopolitan culture. It is the number one place to visit!

Where is it?

Cape Town is on the south-west coast of South Africa, below the famous and spectacular Table Mountain, named one of the Seven Wonders of Nature.

It is always a good time to visit Cape Town. The weather is warm and sunny most of the year. The best time for a beach holiday is at Christmas!

Walk up the amazing Table Mountain, sunbathe on the fabulous, sandy beaches and swim with the friendly penguins. Visit the excellent vineyards and drink some of the best wine in the world. Go shopping at the Victoria and Albert Waterfront – it's fantastic! For exciting nightlife, the city also has bars, clubs, cinemas and theatres. Cape Town is a lot of fun!

Cape Town is a cosmopolitan city. There are Italian, Turkish, Japanese, Indian and French restaurants, and many more! It is by the sea, so there is a lot of delicious fresh seafood. Also, because of the lovely weather, there is a lot of fresh fruit and vegetables too, so the restaurants have the best ingredients. South Africans love their food.

There are cheap hotels near the airport, but for a really cheap holiday, stay at one of Cape Town's excellent campsites. The weather is warm, so a night in a tent is fun! For a five-star holiday, stay at one of the expensive but very comfortable hotels on the Waterfront. They have wonderful views.

You don't need a car in Cape Town. The MyCiTi buses are new and fast and go everywhere. There is also the Metrorail train, but this is slow and sometimes late. Take the ferry to the famous Robben Island for a really exciting day.

Which of these things do you do on your phone?

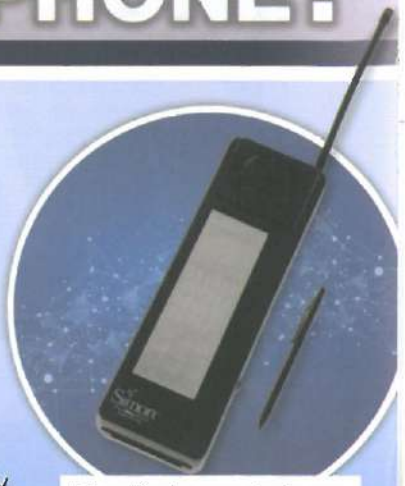
2 The first smartphone was cheap.
3 Only a few people used Blackberries.
4 A satnav app can drive your car.
5 Our phones can sing songs for us.

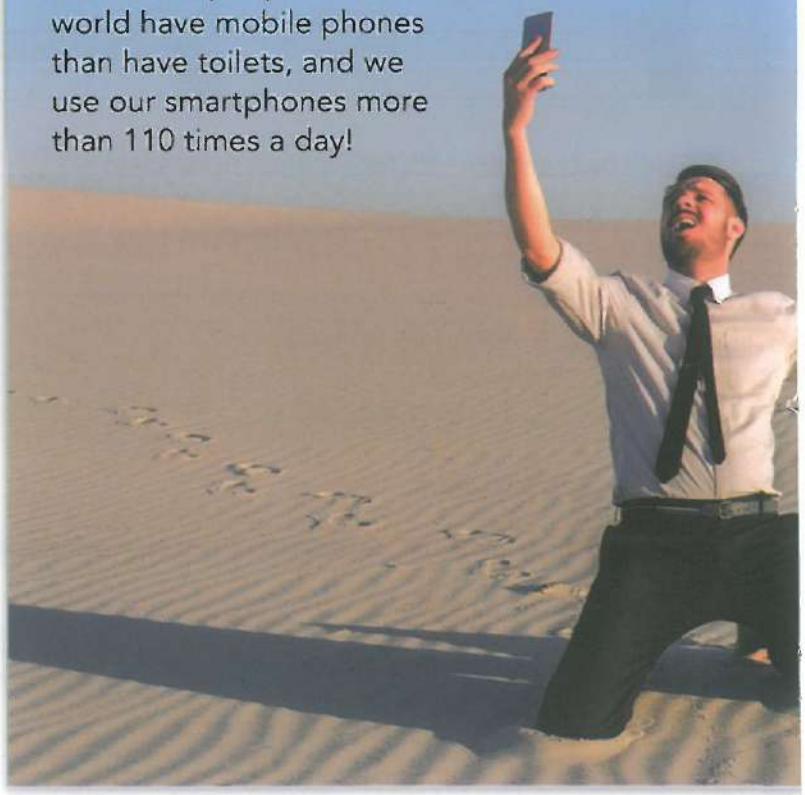
What can't you do on your SMARTPHONE?



The first smartphone

Was there ever a world with no smartphones? Well, yes there was! IBM made the first smartphone in 1993. It was big and heavy. It also cost an amazing $899! The first Blackberry went on sale in 2002. Tens of millions of people used the Blackberry. It sent emails and 'surfed' the net. In 2007 Apple's first iPhone arrived in the shops and it was very popular. Today Samsung sells the most smartphones worldwide.

Now more people in the world have mobile phones than have toilets, and we use our smartphones more than 110 times a day!



Hundreds of uses

Of course, you **can text** friends, send emails and take photos and videos with your phone, but we use our phones for so much more. Our phones **can open** and lock our front doors, and a satnav app **can give** us directions when we're lost! There's an app that tells us how healthy we are and there's even an app that tells us how well we sleep. We **can ask** our phone what song is on the radio, we **can play** chess with a friend thousands of miles away and we **can Skype** our family when we're not at home. The smartphone is a really important part of our lives.

We can't live without it!

Food we like

SCOTT MORGAN, AUSTRALIA

Name: Scott Morgan
Age: 35
Lives: Bondi Beach, Australia
Works: At the University of Sydney

Australians usually eat a big breakfast. We like sausages, bacon and eggs and lots of Vegemite on toast!

At 12.00 I have lunch. I usually just have a sandwich because I'm so busy. I'd like to eat in the university canteen more often – it has lots of different types of food from Thai curries to Mexican burritos.

In the evening and at the weekend we have BBQs. The weather is good in Australia and in the summer we cook a lot of our food outside. I like doing the cooking when we have a BBQ. My children love hamburgers and kebabs, and I do too! My wife doesn't like red meat but she loves chicken and fish. I always drink a nice cold beer with my burger. Then we go for a walk on the beach. Perfect!

Three people from different parts of the world describe what they eat every day.

Lives: Seoul, South Korea
Works: At Samsung Electronics

I get up early, at 6 o'clock, so I usually just drink a cup of *tisane*. We drink a lot of herbal tea in South Korea and tisanes are my favourite, they are very healthy.

I take the subway to work and eat an apple on the train. I always have an early lunch, usually around 11.30. I like *kimbap* – this is egg, ham or fish and vegetables in rice and seaweed. It's very good. Samsung has an excellent gym and I like going there after work. I'd like to go more often but I'm always very tired and hungry at the end of a long day.

In the evening I visit my mother. She likes cooking for me. She makes *jjigae* and *kimchi* – this is stew and cabbage with rice.

HANNA VARGA, HUNGARY

Name: Hanna Varga
Age: 42
Lives: Budapest, Hungary
Works: In a hotel

For Hungarian people, breakfast is a big meal. We think it is important to eat a good meal at the start of the day. My family has bread, sausage, cheese and peppers or tomatoes. Sometimes we eat bread and butter with jam, and we drink tea or cocoa.

I like riding my bike to work. Budapest is a beautiful city and it's a lovely start to my day. I'm a receptionist at a busy hotel in the city centre. I don't have time for lunch. I have a snack at about 2.00, usually a cheese and salami sandwich and a strong cup of coffee. I sometimes have some *rétes* too – a delicious strudel with fruit.

In the evening we have dinner at 8.00 – goulash or chicken paprikash and potatoes are our favourites.

I'd like to go for a run in the evening but I'm too tired and too busy. Maybe one day when I have more time!

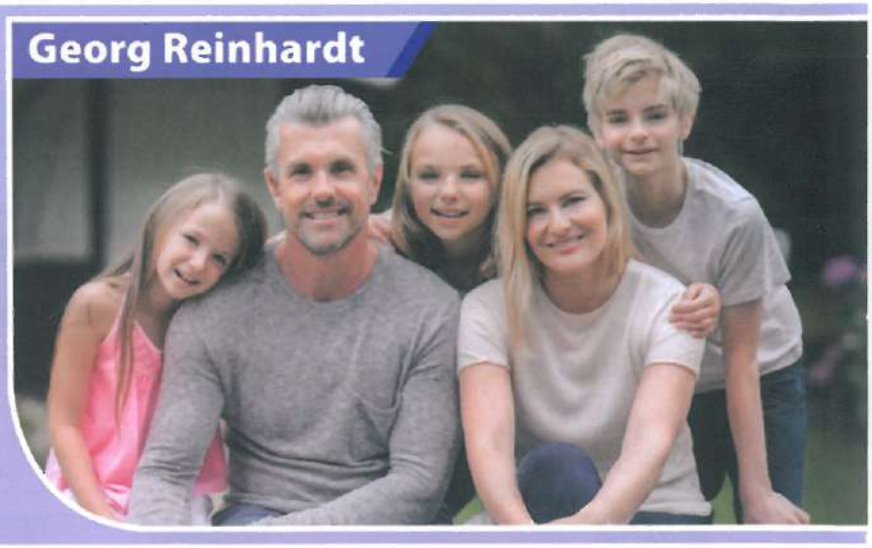
My **past, present**

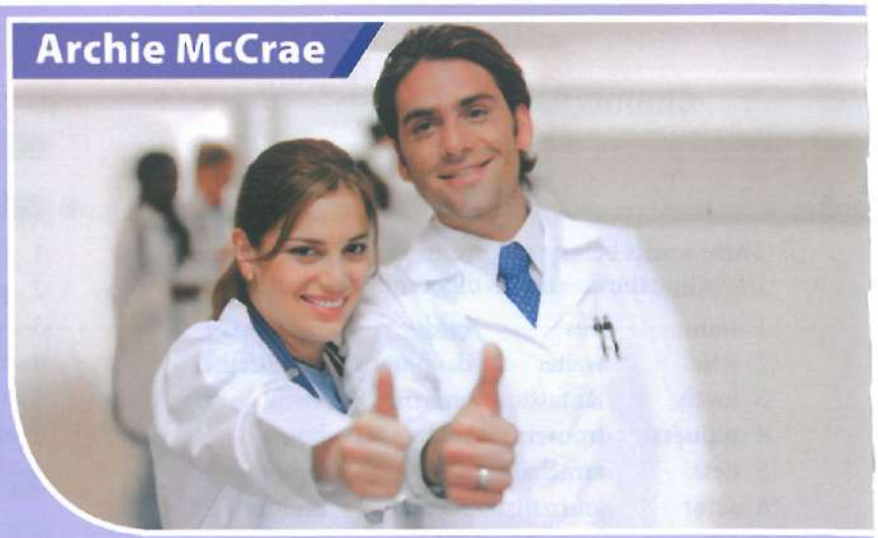
Three people talk about their family,

Milena Dušek

Georg Reinhardt



Archie McCrae



and **future**

education, work and ambitions.

Milena Dušek is Czech. She was born in Prague, where she still lives with her mother and two sisters. She's 18, and she goes to an international school. She is studying English, psychology and economics.

'My parents are divorced. My father is a journalist, and works for a newspaper called *Blesk*. My mother works as a chef in a restaurant in the Old Town. I see my father quite often. He lives nearby.'

Milena wants to work in banking. She's going to study business when she's older, so it's important that she speaks very good English. Next summer she's going to London for two months to study at a language school. She's going to stay with an English family, and she's going to learn English for five hours a day. She's excited about going to London, but a little bit worried, too.
She says,

'I hope the family are nice, and I hope I like English food!'

Georg Reinhardt is an architect. He's married, and he lives with his wife, Karlotta, and three children, in Berlin. Karlotta is a housewife, and their three children go to a local gymnasium (school).

'I was born in Frankfurt, where I grew up and went to school. I studied architecture at the University of Munich. I met Karlotta at university, she was a student of modern languages. We moved to Berlin in 1995.'

Georg also teaches architecture. Next year he is moving to America, to teach at the University of California in Berkeley for three years. His family is going with him. They're going to live on the university campus, where there is a school for the children. His wife is going to teach German. They're all very excited.
Georg says,

'The kids are learning English. They want to see the Golden Gate Bridge in San Francisco. My wife and I are looking forward to living in the sun all year round.'

Archie McCrae is Scottish. He was born in Glasgow, where he grew up with his parents and his brother and sister. His father is a doctor and his mother works for the research company, Bayer.

'I went to Drumchapel High School. I studied biology, chemistry and physics. At school I met Fiona, and we started going out when we were 16. We studied medicine together at the University of Edinburgh, and now we live in Edinburgh.'

Archie and Fiona want to work in developing countries. Next week they're going to Zambia, in Southern Africa, for a year to work in St Francis' Hospital in the east of the country. They're going to train doctors and nurses in villages near the hospital. How do they feel about their trip?
Archie says,

'We're very excited, but a bit nervous. Zambia is a beautiful country, but poor. The people are wonderful. I hope we can help them.'

Talking about you

5 When we meet someone for the first time, we sometimes say a little bit about ourselves.

I was born in ...

I go to school in ...

8.11 My home town

Hi! My name's Ben, and I live in Cape Town. I'm a DJ at a local radio station in the centre of the city, but I live near Boulders Beach – one of the best beaches in Cape Town. I have a small apartment near there. Cape Town is an amazing city. It's really cosmopolitan. People from all over the world live and work here. Every Friday after work I meet my friends at the Waterfront, and we go to one of the restaurants there. We often have seafood – it's my favourite. I just love fresh seafood.

The weather's great, it's warm nearly all year round. I know it's sometimes windy – and some people don't like the wind – but I love it because I love kitesurfing! My job's really exciting, but sport is my passion. I love sport! And Cape Town is good for so many sports because of the weather. I run every weekend with my dog, Oscar. I'm a member of the Sumner Running Club. We have the Boulders Beach 10 km run next Sunday. It's a great run with amazing views. In the summer, when it's windy, I go kitesurfing with my brother, Pete. It's fantastic fun. I sometimes go cycling with my friends, Kerry and Roger, on Sunday. We often cycle by the sea and watch the penguins.

Cape Town is just a beautiful place – great scenery, great weather and great food. I'm very lucky!

8.12 Who is it?

1 **Ben** Good morning Cape Town. How are you all on another lovely sunny day? This is Ben Smith on Radio Cape. Hello to our first caller this morning. It's Kate. Hi Kate! How are you today?

Unit 10

10.1 Yesterday was Sunday

Kristin Yesterday I got up really late – about 10 o'clock. I had breakfast in bed – just orange juice, tea and toast – and I listened to music. I love doing this on Sunday. It was a beautiful morning, so I called my friend Max – he lives near me – and we went for walk in the park with his dog. Then we met some friends for coffee at a local café. It started to rain, so I invited my friends to my flat. I cooked a meal for them, just roast chicken and salad, and we stayed at home for the rest of the afternoon and watched a film. My friends left about 6 o'clock and I cleaned my flat and then went to bed early. I took my laptop to bed and did some work. I like working in bed because it's warm and comfortable, but I often fall asleep.

10.6 Kristin's weekend

K = Kristin, D = Dave

D What about you, Kristin? Did you have a good weekend?
K Oh yes, I did, very good.
D What did you do on Saturday?
K Well, on Saturday morning I went shopping and bought a new dress. Then on Saturday evening I went to a friend's party. It was fantastic!
D Who did you see at the party?
K Oh, lots of old friends and an old boyfriend. Good thing I bought the new dress! He looked awful, and I looked great!
D Did you get home late?
K Yes, I did. I didn't get up on Sunday until 10 o'clock and I had breakfast in bed.
D Wow, breakfast in bed? But it was a lovely day! I was on the golf course at 10 o'clock! So … What did you do after breakfast?
K Well, I was still very tired so I just called my friend Max and …
D Ah, your new boyfriend?
K He is not – we're just friends! Anyway, we went for a walk with his dog and met some friends for coffee, but then it started to rain.
D I know – we didn't play golf after lunch … What did you do in the afternoon?
K We all went back to my flat. I cooked lunch for everyone and we watched a film.
D Nice … Did you do anything on Sunday evening?
K Not much … I went to bed early, and I did some work in bed on my laptop.
D Hmm … I often work on my laptop in bed … but I always fall asleep.
K Me too. I didn't do much work at all.

10.10 Gary and Cathy's holiday

C = Cathy, G = Gary

C Well, our main holiday is usually in winter.
G Yes, we don't like winter in England, so we usually go to Barbados in February for two lovely warm weeks, don't we, honey?
C Yes, we do – it's great! But last year we did something completely different. We didn't go away in winter – we had our main holiday in summer – and we went to the Ardèche in France!
G Yes, it was because we wanted to learn how to canoe …
C Well, you wanted to canoe. I wasn't so sure! You see in Barbados we just read and sunbathe, go swimming and …
G And in Barbados we always stay in a five-star hotel, and eat at expensive restaurants, but in France we stayed in a cabin on a campsite, and we cooked outside every night.
C Hmm, yes! Definitely not five-star food. But in fact I loved it! And I loved the canoeing, didn't I?
G You did. It was great fun.
C And Gary, you went fishing too, didn't you?
G We both went fishing!
C Well yes, but I didn't catch any fish. You caught a really big one!
G That's right. One of my best moments of the holiday. I usually play golf in Barbados, but I enjoyed the fishing more.
C And we met lots of lovely people, didn't we?
G We did. We made lots of new friends and had a really good time.
C And we always have a good time in Barbados, too, don't we?
G Yes, we're very lucky.

Unit 11

11.5 Bobby Boyd

Hi, my name's Bobby. I'm Irish, but I live in Lisbon, in Portugal. I teach English at a big school here. I can speak Portuguese fluently and German a little bit. I love it here. Most Saturdays I leave the city and go to Sintra. It's a beautiful old town very near Lisbon. I go with friends, and we usually go horse riding or walking in the lovely countryside. Sometimes we go surfing, too. The beaches are amazing. All my Portuguese friends can surf really well. I can't surf very well, so I sunbathe. I love the beaches here. On Sunday nights we sometimes go to Fado restaurants. Fado is traditional Portuguese music. I love it! I can now sing Fado quite well, but I can't play the guitar.
Sunday is also the day for 'sardinhas assadas' – grilled sardines in English. My friend, Jorge, always cooks delicious sardines with potatoes. I can't cook at all, but I sometimes make Irish coffee for my friends. Coffee, whiskey and cream! They love it, and so do I!

11.9 What do you do on your smartphone?

Keith, age 73
I play Scrabble with my son on my phone, I love it! I live in Scotland and my son lives in London. Playing Scrabble makes us feel nearby. We usually play in the evening after he finishes work. It is the best part of my day. I usually win! I had an eight-letter word yesterday and got eighty-two points!

Maddie, age 34
I'm a journalist – I work for the BBC. I travel a lot and take photos and videos of news events around the world on my phone and send them back to the BBC in London. It's amazing that I can send a video from Mumbai in India and it's on the 6 o'clock news! I use my phone 24/7, because news is 24/7!

Antonio, age 21
I'm Italian but I live and work in London at the moment. I miss my family so my phone is very important to me. Most evenings, when I finish work, I phone home. It's wonderful – I use FaceTime to see and speak to my family so I don't feel so sad. I can even see my dog, Clara. I speak to her and she knows my voice.

Kylie, age 17
The main thing I use my phone for is to message my friends. We text all the time, about everything in our lives, big and small. I often go on Facebook too – it's a great way to get everybody's news and we can share all our photos. Yesterday, we posted photos from this amazing party we went to last weekend. It was wild!

Josh, age 8
My mum and dad say I can use my phone after school and homework, and sometimes at the weekend. Mostly I play games on it with my friends. My favourite game is Flappy Birds. It's great fun, I love it! We have big competitions – I win a lot, not always of course, but most times.

Taylor, age 42
I work for a large global company. I work long hours and I travel a lot. My phone is very important for work - I can arrange meetings and talk to clients when I'm on the train. And I send and receive emails. But every weekend, when I can, I turn my phone off and just spend time with my wife and two young daughters. My job is important to me, but my family is too.
